A Textron Company

# Syncro range

Our crimping tools for cable lugs and connectors from 6 – 150mm<sup>2</sup>

**Simple and convenient:  
Our best made even better**

 made in Germany

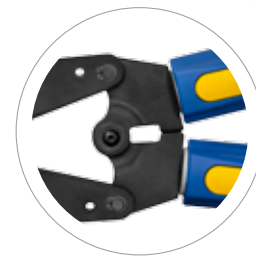

Simple assignment of the cross section through display on the adjusting wheel

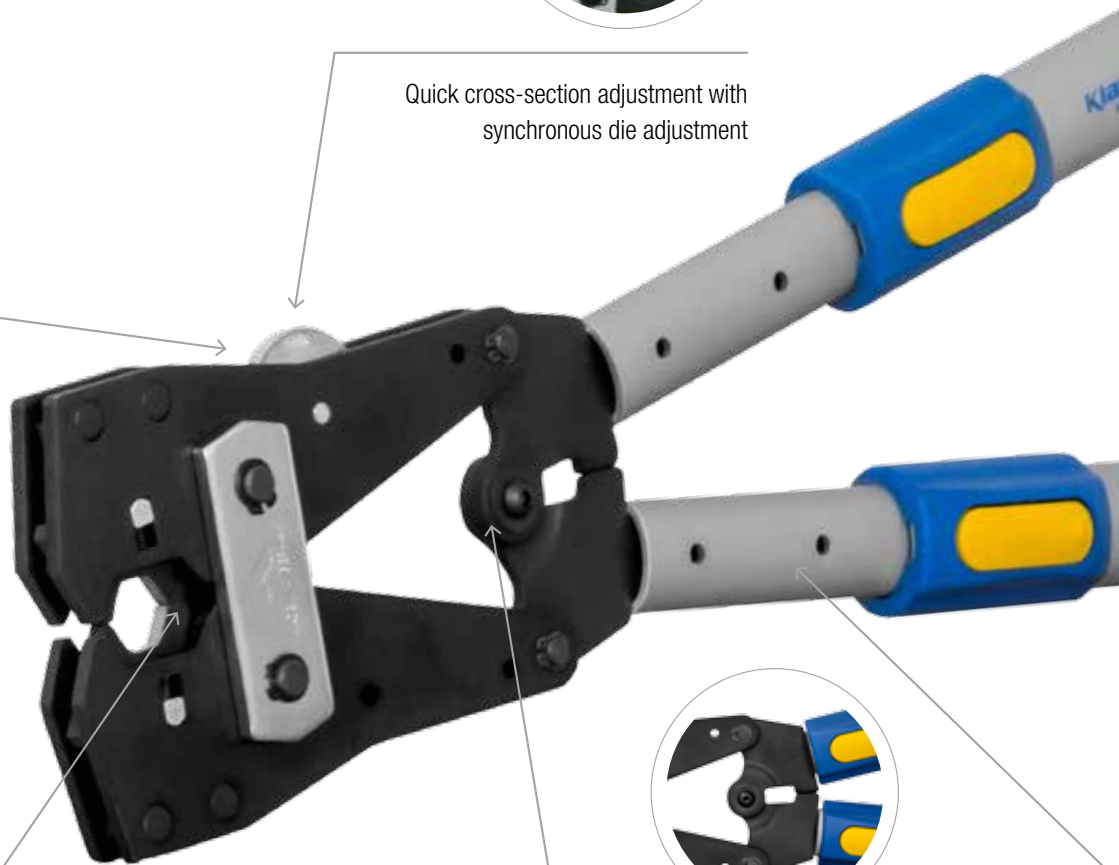

Hexagonal crimping

Quick cross-section adjustment with synchronous die adjustment

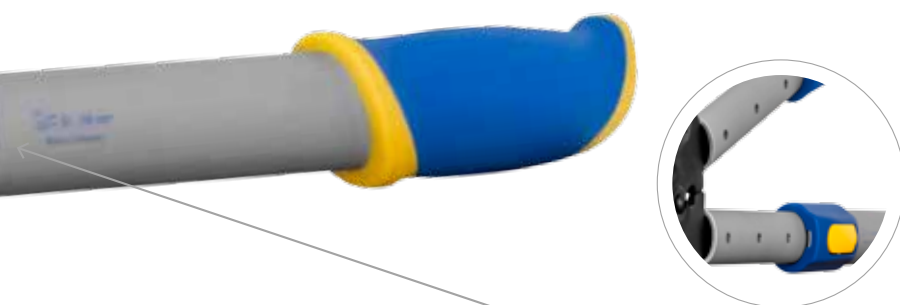

Effortless operation thanks to energy-efficient and smooth tool mechanism

Non-slip operation due to ergonomic 2-component handles with integrated slip guard

Optimised force adjustment through adjustable telescopic grips

Rigid and light with aluminium arms

**Uniform and standardised crimp results**

**Single-handed adjustment of the dies for left and right handed users**

**Systematic connections**

Our products guarantee to meet the high quality requirements for a crimped connection. Cable lug, crimping tool and crimping die are perfectly matched, enabling us to guarantee standardised crimps with consistently high workmanship and reliability.
